NASHVILLE

Electric Water Cure.

THE undersigned has taken the large House on the hill in South Nashville, at the head of Front street, known as the Rutledge property, where he has established a comfortable home for invalids, and provided ample means for their restoration to health. Patients from the country and strangers taken sick in the city can find gentle norsing and appropriate medical attendance. Our treatment in Chronic Diseases consists of Water Electricity, and the most effective medicine and Homepathy in all Acute and Febrille Diseases, and in all cases our charges will be mode-

Discusses, and in all cases our charges will be mode-rate and to suit the times.

The institution is located in a field of 17 acres, con-

taining fine shade troes and pleasant grounds for exor-cise or convalescents. From the house, we have the finest prespective view of the city, Cumberland river, and surrounding country, afforded in any other part

of the city.

As far as regards our success in practice in the healing art, we will only say we have now been in Nashville one year, and our register will show the names of over 150 patients, treated for various diseases, most of them hopless cases of Chronic Diseases, and 31 of whom were confirmed cases of Cans mption, and out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases treated out of the whole number of 150 odd cases of the number of 150 o

For the protection of others, we can receive into this institution no patients having contagious diseases, but will attend to such at other places. Family prac-

Office hours from 8 to 10 e'clock A. M., and from

to 3 o'clock P. M., every day except Sunday. At al other times I can be found at the Electric Water Cure

as above.

Though we are opposed to publishing certificates to

show that we can control diseases supposed to be in-curable, we will re-publish the following letter of a

well-known citizen to the editor of the Republican Banner, of Dec. 30th, 1860: Mg. Eprost: Having been afflicted for some months

For the very least possible share of your cash.
Nor forgetting old-line Whigs and Democrats,
For whom he keeps a variety of suitable hats,
The finest caps—all fancies sure to please—
Both cloth and silk, and new style Japanese;
Handsome shirts, and splendid cravats and collars,
So to M. Powers don't neglect to bring your dellars;
For with myriads we would now dispute,
Who dare say his garments fail to suit;
Those most neat and fastidious in taste,
Who oft in badly made clothes their money waste.
But strange to say, for the very smallest sum,
You feel inclined to expend at Power's Emporium,
He will give you bargains so very reth are rare,
